

WORKSHOP ON LESSEPSIAN MIGRATION
20-21 July 2002 Gökçeada - TURKEY

CONTENTS

PREFACE

Lessepsian fish migration-characterization and impact on the eastern Mediterranean
GOLANI, D.

Changes in the Adriatic fish species composition
DULCIC, J., LIPEJ, L., GRBEC, B.

The opening of the Suez Canal
SARIOGLU, F.

The proliferation of *Amphistegina* (Lessepsian migrants) population at Three-Islands (Üçadalar, Antalya), a new observation from the Turkish Mediterranean Coast
MERIC, E., AVSAR, N., BERGIN, F., YOKES, B.

Three new species of *Acartia* (Copepoda, Calanoida) from the northeastern Levantine basin
UNAL, E., SHMELEVA, A.A., KIDEYS, A. E.

Toxic and harmful phytoplanktonic species in the Aegean (including the Dardanelles) and north-eastern Mediterranean coastline
KORAY, T.

The distribution of *Caulerpa racemosa* (Forsk.) J. Agardh on the coast of Turkey
OKUDAN, E. S., YURDABAK, F., TUNCER, S., ERDEMIR, C. c., AYSEL, V.

Lessepsian Polychaete species from the Turkish coasts
ERGEN, Z., CINAR, M. E., DAGLI, E., KURT, G.

Lessepsian invasion Decapod Crustaceans at Turkish Seas
KOCATAS, A., KATAGAN, T., ATES, A. S.

Lessepsian invasion Amphipods of the Mediterranean
KOCATAS, A., KATAGAN, T., SEZGIN, M.

The Lessepsian Molluscs of the Mediterranean and their distribution along the Turkish coasts
OZTURK, B., ONEN, M., DOGAN, A., URKMEZ, D.

Lessepsian immigrant Cephalopods of the Mediterranean Sea
SALMAN, A., KATAGAN, T.

Why Lessepsian immigrants are so successful in colonising the eastern Mediterranean Sea and who are the defenders of the native ecosystem?
GUCU, A. C., GUCU, G. M.

The impact of the Red Sea species (Lessepsian) on the Mediterranean Sea
CEVIK, C., TOKLU, B.

Characterization of Lessepsian migrant fish at Turkish Seas
BILECENOGLU, M., TASKAVAK, E.

Population characteristics of the Por's Goatfish (*Upeneus pari* Ben-Tuvia & Golani, 1989) inhabiting in Babadillimanı bight (Northeastern Mediterranean-Turkey) 92
CICEK, E., AVSAR, D., YELDAN, H., OZUTOK, M.

Distribution of Lessepsian fishes in the Turkish Mediterranean coasts

BASUSTA, N., BASUSTA, A. G., KOC, H. T.

Age, growth, sex ratio and spawning season of Lizardfish (*Saurida undosquamis* Richardson, 1848) in Iskenderun Bay, eastern Mediterranean
ISMEN, A.
