ONLINE IOI OCEAN ACADEMY

IOI Ocean Academy Course offered online by IOI & Turkish Marine Research Foundation, Turkey

Conservation and Sustainability of the Marine Environment in Turkish Seas

Overview: This online Ocean Governance Course is offered jointly by Turkish Marine Research Foundation (TUDAV) and International Ocean Institute (IOI) to upgrade the Ocean Literacy, specifically targeting government officials, educators, and media representatives. Ten live sessions will utilise presentations, discussions, readings, videos and interactive tools to explore new and emerging issues in marine conservation and sustainability. Participants who complete all the sessions will be eligible for a certificate.
